Dear Parents/Guardians

Next week is Road Safety Week, so it seems like the perfect time to remind everyone of some things we can all do to keep your children safe!

Walk to School

It seems obvious, but most of our families live within a five-minute walk of school. Instead of driving, why not walk? You'll save on petrol, do your bit for climate change and reduce the risk of an accident on the roads!

Observe Traffic Signs

It is illegal to park on double-yellow lines for a reason! It's dangerous. Parking there puts children at risk and you are more likely to be struck by traffic if you are causing an obstruction!

Give the children room

If parents all gather closely on the street, it can be difficult for the children to stay on the path and out of the road. Please be considerate with where you stand and make sure people can move freely and safely.

Let's see if we can all do our bit to make the roads around school safer for everyone!

The last thing anybody wants is for me to get my guitar and stand on the road with the Senior Leadership Team singing 'We don't park on the double-yellow lines' to the tune of 'The Wheels on the Bus'...

Have a lovely weekend.

YEAR GROUP *updates*

Forest Pre-School & Nursery

This week we have started our topic of 'People who help us'. This week we have been learning about Doctors, Nurses and Paramedics. The children have been developing their vocabulary and have been playing the role of Doctors in the classroom. It has been lovely to see the children really engage in this topic.

Action

- Talk to your child about a time they have had to be seen by a Doctor, Nurse or Paramedic and the important Job that they have.

Reception

This week the children have enjoyed learning about animals and the South Pole-linked to our text Lost and Found. The children came up with their own way to help the penguin cross the sea! In maths we have been exploring number bonds to 5 using numicon, counters and cubes. In RE we had lots of fun for Interfaith week looking at different religions, having ago at different dances and listening to different music for a variety of religions.

Action

- Please can you continue to practise the phonic sounds sent home and reading books. To support your child in school continue to encourage them to be independent by dressing themselves, putting on their own shoes and coats.

YEAR GROUP *updates*

Year 1

"Be a buddy not a bully. We have been discussing what bully means and what to do or say if the children think they are being bullied. Please talk to your child about what bullying means and discuss that not every mean thing is classed as bullying. We have also explored about Interfaith means and discussed how we can be respectful to all faiths and beliefs. Thank you to all 1S's parent for attending the Parent Worship, we hope you all enjoyed it and the children were amazing!"

Action

- If you have any questions please feel free to talk to a member of the Year 1 team and we will be happy to help.
