GOVERNMENT TO INCREASE FINES FOR POOR ATTENDANCE!

Dear Parents/Guardians

I am sure you've all seen the government have announced that fines issued to parents for keeping their children out of school will increase from September.

The Department for Education have also made it compulsory for schools to share with them when children are not in school.

Our attendance has improved over the last year, but we are still 2% lower than the rest of the country.

We do not like issuing fines – it's a lot of paperwork and it causes upset and worry for families. But the best way for school and home to avoid the process is for everyone to do their best to ensure that children are in school every day.

There are 190 school days for children per year; that leaves 175 days per year (176 this year, as it's a leap year) to go on holiday or to visit family.

So please try to book holidays during the school holidays. We won't be able to approve any holiday requests so going during school time could result in a fine being issued as well as your child missing valuable time in school.

And to the vast majority of you who ensure your child is in every day, thank you! It really makes a difference.

Have a lovely weekend,
Mr Sticher

“Children who attend 100% are 5 times more likely to work at, or above, the expected standard”.

ATTENDANCE/ PUNCTUALITY

Please ensure your child arrives to school on time for registration.

The school gates are open from 8.30am till 8.40am. All children should be in class by 8.40am.

Arriving to school on time is important for your child so they don't miss important introductions to the lesson. Please make sure every effort is made to ensure that your child/ren arrive on time.

Any absences from school must be reported on the school spider app or the school answerphone each day of your child's absence .

EXTENDED LEAVE

Please refer to our Discretionary Leave Policy (available on the website) for further information and clarity around taking your child out of school during term time. Please be aware that parents who take their child/ren away in school time may be issued with a penalty notice, or may be removed from the school roll. All planned and unplanned leave must be discussed in advance, with Mrs Rehman.

APPOINTMENTS

Routine health appointments are better made out of school hours or during holidays. We are aware that this is not always possible, and request for appointments to be made at time where there is minimal disruption to your child's learning. The school office should be notified as soon as possible of appointments, and shown appointment letters, cards or text messages.

Fasting during Ramadan

As Ramadan is approaching, we are aware that some older children in **Years 5 and 6**, may want to fast from the 10th March 2024. We cannot, however, support younger children fasting during the school day.

All normal school activities will continue during this time, including PE lessons. As the days are getting longer, we encourage you to consider whether your child wishes to fast during the school day as part of their observance of Ramadan.

If your child is in Year **5** or Year **6** and you have decided that you would like your child to fast, a letter has been sent home with the pupils today so please sign and return to school as soon as possible.
