Dear Parents/Guardians

Welcome back! I hope everyone celebrating had a wonderful Easter and a lovely Eid.

Unfortunately, yesterday we had another incident in Earl Street leading to a child being injured by a car. Whilst I can't give specifics about the incident, there is no doubt that a contributing factor is people parking on Earl Street on the yellow zig zags and partially on the pavement.

This is creating a very dangerous situation where we have a lot of fast-moving vehicles, parked cars and vans and children leaving the school all at the same time.

I have written to the Local Authority to ask for their support in enforcing traffic restrictions, but I am appealing to all of you to leave your cars at home if you can.

If drive a van, please think about where you park it. It obstructs the view of drivers and pedestrians and makes an accident far more likely.

I know everyone has got somewhere they need to be, but what will it take for people to stop and think about the consequences of their inconsiderate parking and driving?

Ultimately, this is your children's safety at risk. Please think about how you can do your bit to keep our children safe at school. No child should have to feel unsafe walking home from school.

Thank you for your support.

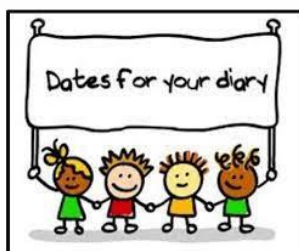

Have a lovely weekend.

Forest Pre-School & Nursery

This week in Pre-school and Nursery we have started our new topic 'All Creatures Great and Small'. Throughout the summer term the children will be learning about all animals from all around the world. This week we have started by looking into the Jungle and specifically focusing on Monkeys. The children have enjoyed listening to different stories about Monkeys and creating monkey artwork.

Action

Can your child name you some animals that live in the Jungle?

Reception

It has been lovely seeing all the children back after the holidays. They were very keen to share what they had been up to and all the lovely things they had done. This week we have started our new class text 'A shark in the park'. The children have enjoyed making telescopes and reading the story together. In maths we have continued learning about repeating patterns and making these in lots of different ways.

Action

- As we are in the final term of Reception it is vital that children read and are read to on a regular basis. The children can also use their homework books if they want to write any super sentences!

YEAR GROUP *updates*

We are getting closer to the Phonics Screening in June, if you have any questions please a member of the Year 1 team and we will be happy to help in any way we can.

Action

- Next Tuesday we are looking at tidying up our community and doing a local litter picking. Please make sure your child is dressed appropriately.

Year 2
