Remote Learning Guidance

As your child is currently self-isolating and they are unable to attend school as normal, live lessons will be available for you to access from home. These lessons will be available over Microsoft Teams. There is an app to download or it can be accessed through the website:

<https://www.microsoft.com/en-gb/microsoft-365/microsoft-teams/group-chat-software>

Your child's teacher will have given you an email address and password to log in.

When accessing the live lessons, we ask parents and pupils to adhere to the following protocol:

Microsoft Teams Parent and Pupil Protocol

- When using live communication, a parent/carer must be available.
- Please ensure you keep passwords and usernames safe. Do not share with other people.
- Please ensure you log in 5 minutes prior to the start time.
- Please ensure you have a space available to work during the lesson.
- A daily timetable will be made available detailing times that Live lessons will be available. Please see below.
- A register will be taken during each Live Lesson to monitor attendance.
- Pupils to only respond using the chat box function.
- All pupils will have the video and audio function disabled.
- Any communication through the chat box function must be related to the learning taking place.
- The normal behaviour expectations will be in place. Inappropriate messages will not be acceptable.
- If pupils require further support they must inform the teacher during the lesson through the chat box or 'Hand up' button.
- Homework and daily spellings, reading tasks and basic maths skills will continue to be available.
- Your child will need access to a pen, pencil and paper.
