Tuesday 23rd February 2021

Dear Parents/Carers,

As you will have no doubt seen in the news, the government has announced that primary schools will re-open to **all** children on Monday 8th March 2021.

We are currently in the process of planning the safe return of all of our children and will keep you updated.

To help us to communicate our plans with you, we will be launching our new app today.

If you have given us your email address, you will have received an email this morning containing your login details. In order to access the app you will need to:

1. Download **School Spider** from the Apple App Store or Google Play Store.
2. Log in with the details you have received today **or** select 'Forgot Password' and use the email address you registered with school to request a new password.
3. **If you have not given us an email address, you will not be able to access the app – please contact the office today to update your details.**

I have also attached a leaflet to help you get up and running with the app. Please do not hesitate to contact us if you are having any issues.

I will write to you again on Friday with an update about the full return to school.

As always, thank you for your understanding and co-operation.

Yours sincerely,

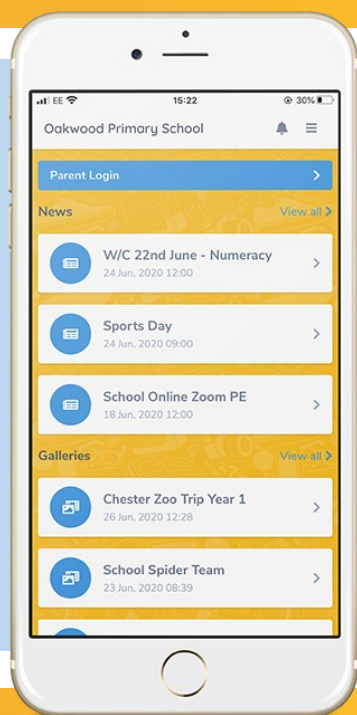

Mr D. Stitcher
Headteacher

GUIDE TO OUR APP FOR PARENTS & CARERS

School Spider allows you to receive and return information directly from the school. Receive instant messages, complete surveys and forms, book your parents evening and make online payments.

Select your school to get started!

LOGGING IN

See your schools recent website posts here but make sure you login to receive communication. Click parent login and enter your details if you have received them from the school. OR you can press forgot password to set your password.
